

SLAB PAVERS

SLAB PAVERS

Our **Slab Pavers** are a great solution for larger areas or as individual stepping stones. Available in our 10 Earth Tone colors, these slabs can easily integrate with any of our other 60mm pavers.

Slab Pavers reduce the labor involved at installation, making the project faster and cheaper.

These **Slab Pavers** are available in our original 8,000 PSI formula for the ultimate in durability, or a 4,000 PSI variety for patios without vehicular traffic.

Call our installation experts early in the project for cost-effective installation ideas.
